JEWISH FEAR MASSACRE AS BEILIS TRIAL OPENS MARY BOYLE O'REILLY GOES TO KIEV, RUSSIA

Famous Writer to Investigate Report That Russian Government is "Framing" Case Against Beilis.

WHAT RITUAL MURDER IS.

By Mary Boyle O'Reilly. Ritual murde, is the alleged crime of killing a Christian child that it's innocent blood may be blended with the dough of the passover bread. This "blood accusation" is as old as the Christian era. A lie edged with ignorance and malice, it has varied to suit the passing centuries. Always its appearance marked a trail of rapine and murder.

Pagans under the Caesars described the central mystery of Christian worship ceremonial as ritual murder.

Missionaries in China, Quakers and Lutherans have each in turn been accused. Astrology, witchcraft, and black magic are now beneath popular be-

lief, but the awful slander of sacrificing children to a propitiary rite survives as a pretense for persecuting the religious Jews of modern Russia.
